//FORWARDED::BY ORDER//

SECTION OFFICER

ANNEXURE to G.O.Ms.No.127, HM&FW (K2) Dept,19-05-2010

- i) The clause 10 of paragraph 2, under Sub-Section-B of Section-II i.e., Faculty shall be deleted.
- ii) The existing statute at Para 3 of Sub-Section-C of Section-I i.e., Faculty titles and Additional qualification, shall be substituted by the following:

In the event of a person, originally appointed as Lecturer / Instructor, earning a Terminal Degree in the concerned field, college may, after proper verification of the degree, revise him/her title as Assistant Professor, without any further reference to the faculty selection committee. All such redesignations shall be reported to the University for information and record".

- iii) The existing statute at clause (1) under paragraph-I of Sub-Section-D of Section-II i.e., Selection of faculties in Public Health shall be substituted by the following:

"President of Chairperson of the Executive Council or such other governing body of the college or his/her nominee to be the Chairperson of the Selection Committee.

- iv) The existing statute at clause (5) in Paragraph 1 under Sub-Section-D of Section-II i.e., Selection of faculties in Public Health, shall be substituted by the following:

"Two subject-experts not connected with the college to be nominated by the President or Chairperson of the executive/governing body".

- (v) The existing statute at Clause (vi) in Paragraph 2 under Subsection-A of Section-III i.e., Criteria for Recognition of an institution as a College of Public Health, shall be substituted by the following:

The development account shall consist of development fee, other capital receipts, development of capital expenditure. At least half the proceeds of development fee will be credited to the development account in the first ten year, after which this account will receive the entire proceeds of the fee. Miscellaneous Receipts of the Institution would also be credited to this account. The proceeds of the fee would be utilized for procurement of equipment, books, journals and acquisition of assets. Management, may as its discretion debit faculty development expenditure to this account.

- (vi) The existing statute at clause (i) under Subsection-C of Section-IV i.e., General Curricular Requirement shall be substituted by the following:

Standard duration of the program for full time students, shall be two years, including internships, if any.

- (vii) The existing statute at Subsection-F of Section-IV i.e., Credit requirement for Degree-2, shall be substituted by the following:

The curriculum for the second year shall include dissertation or research work at least for 5 credit hours.

::2::

(viii) The existing statute at Section-V shall be substituted by the following:

Board of studies for international courses:

1. Keeping in mind the fast changing scenario in this type of international education programs, the University will set up a separate board of studies for international Education Programs.

2. The Board of studies for international education programs, shall provide general guidance and supervision for curriculum management, examinations and other issues regarding Masters in Public health Courses affiliated under this statute.
